| ADJUSTMENT |) | |

Questar Gas Company (Questar Gas or the Company) respectfully submits to the Utah Public Service Commission (Commission) Supplemental QGC Exhibits 1.8S and 1.9S that include a revised tariff Section 2.08 Conservation Enabling Tariff (CET). In this filing, the Company proposes to change the allowed usage per customer to reflect the settlement stipulation approved by the Commission in Docket 13-057-05 and Docket 13-057-19. In the technical conference held on September 11, 2015 in this docket, participants determined that the Company should file a Tariff sheet to reflect the allowed-revenue-per-customer calculation shown in QGC Exhibit 1.7. The Company offers the attached Supplemental Exhibits reflecting the proposed changes to the allowed revenue per customer:

| | |
|--------------|---|
| Exhibit 1.8S | Legislative and Proposed Conservation Enabling Tariff Sheet for Infrastructure Rate Adjustment Only |
| Exhibit 1.9S | Combined Legislative and Proposed Conservation Enabling Tariff Sheet |

WHEREFORE, Questar Gas respectfully requests that the Commission accept the attached supplemental exhibits and include these attachments as supplemental information to the existing QGC Exhibits 1.8 and 1.9.

DATED this 14th day of September 2015.

Respectfully submitted,

QUESTAR GAS COMPANY
