Re: In the Matter of the Application of Questar Gas Company for Approval of the 2016 Year Budget for Energy Efficiency Programs and Market Transformation Initiative, Docket No. 15-057-16 – ThermWise® Builder Rebates Program and Business Program Expenditures to Date

Dear Mr. McKay:

The Commission reviewed Questar Gas Company's (Questar) August 26, 2016 filing, notifying the Commission that the ThermWise® Builder Rebate Program and Business Program both exceeded 50 percent of their annual budget amounts in the month of May 2016 (Notification). The Notification represents that Questar projects the two programs to reach 123 and 165 percent of their respective budgets by the end of the 2016 program year.

The Commission also reviewed the September 26, 2016 action request response from the Division of Public Utilities (Division). The Division recommends the Commission acknowledge the Notification as satisfying the reporting requirements the Commission approved in Docket No. 09-057-15.

Based on the Commission's review of Questar's Notification and the Division's recommendation, the Commission acknowledges the Notification as satisfying the relevant reporting requirements.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
