In the Matter of the Application of Questar Gas Company to Change the Base Distribution Non-Gas Rate and the Infrastructure Rate Adjustment	<u>DOCKET NO. 15-057-13</u> <u>NOTICE OF FILING AND COMMENT PERIOD</u>

ISSUED: January 4, 2016

On January 4, 2016, Questar Gas Company (“Questar”) filed a motion to modify and replace tariff sheets for the GS, FS, IS, TS, FT-1, MT and NGV classes. According to Questar, the proposed replacement tariff sheets reflect changes to the Infrastructure Rate Adjustment component of the distribution non-gas rate of the previously mentioned rate schedules to reflect the impact of bonus depreciation recently signed into law as part of the Protecting Americans from Tax Hikes Act of 2015 (PATH Act). Questar represents that if the proposed updated tariff sheets are approved, the typical customer will see an annual bill decrease of \$1.37, or about 0.20 percent. Questar requests the Commission accept and approve the updated tariff sheets, effective February 1, 2016.

Any interested party may submit comments on Questar’s motion on or before **Thursday, January 14, 2016**, and reply comments may be submitted on or before **Wednesday, January 20, 2016**.
