Re: Advice Letter 15-05 in Docket No. 15-057-T02, "In the Matter of the Application of Questar Gas Company for Authority to File a Change in its Existing Tariff"

Dear Mr. McKay,

The Commission has reviewed the proposed tariff sheets transmitted with Questar Gas Company's application dated May 14, 2015, in Docket No. 15-057-T02 entitled above. The proposed tariff changes relate to Questar Gas Company's Utah Natural Gas Tariff PSCU 400, Sections 8.01 - Gas Measurement and 9.01 - Applications for and Initiation of Gas Service.

The Division of Public Utilities (Division) reviewed the proposed tariff sheets filed on May 14, 2015, and recommends the Commission approve them as filed because they reflect Questar Gas Company's current meter reading practices and Commission rules regarding delinquent accounts.

Based on the Division's review and recommendation, and the lack of opposition by any other party, the Commission approves the proposed tariff sheets filed on May 14, 2015, with an effective date of July 1, 2015.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
