ISSUE and DISCUSSION

In an order issued June 29, 2015, the (Commission) approved the revisions recommended by the Division in its June 24, 2015 memorandum in this Docket to Questar accounts 182.3, 182.4, 191.1, 191.8, 191.9 and 235.1. In its memo to the Commission also dated June 24, 2015, Questar stated that “The Company has reviewed the [Division’s] memo and we agree with the proposed changes as they are filed.” On June 30, 2015, Questar filed revised tariff schedules incorporating the Division’s recommended changes.

On July 1, 2015 the Commission issued an Action Request to the Division with a due date of “ASAP.” This memorandum serves as the Division’s comments and recommendations in this matter.

The Division has reviewed the Company’s June 30, 2015 filing of the above referenced tariff schedules. The Division has determined that these tariff schedules accurately incorporate the Commission’s orders of April 29, 2015 and June 29, 2015 in this docket.

Therefore the Division recommends that the Commission approve the attached tariff as filed on June 30, 2015 by the Company.
