Re: Advice Letter No. 15-01 in Docket No. 15-057-T06, "In the Matter of Questar Gas Company's Filing to Comply with the Commission Order Issued on November 9, 2015 in Docket No. 14-057-31, Application of Questar Gas Company to Make Tariff Modifications to Charge Transportation Customers for Use of Supplier-Non-Gas Services" and Docket No. 14-057-31, "In the Matter of the Application of Questar Gas Company to Make Tariff Modifications to Charge Transportation Customers for Use of Supplier-Non-Gas Services"

Dear Mr. McKay,

The Commission has reviewed the proposed tariff sheet revisions filed on December 28, 2015, pursuant to the Commission's December 22, 2015 Order in Docket Nos. 15-057-T06 and 14-057-31. The Commission has also reviewed the Division of Public Utilities' (Division) comments filed on January 6, 2016.

The Division states it has reviewed the proposed tariff sheet revisions and notes the proposed changes do not represent a change in the billing practices of the Company but, rather, provide greater clarity for customers. The Division concludes that the proposed changes satisfy the Commission's December 22, 2015 Order. The Division recommends the Commission approve the tariff sheets as filed.

The Commission approves the proposed tariff sheet revisions as filed with an effective date of February 1, 2016.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
