RECOMMENDATION

As a result of the Public Service Commission of Utah (Commission)'s order issued on December 16, 2015, Questar Gas Company (Company) offered finalized tariff sheets for approval. The Division of Public Utilities (Division) recommends that the Commission approve the tariff sheets filed by the Company on December 21, 2015.

BACKGROUND

On October 13, 2015, Questar Gas Company filed an application with the Commission for approval of its Energy Efficiency Programs and Market Transformation Initiative Budget for 2016. Included in that application were revised tariff sheets. In the Division's response to the Commission's Action Request, the Division recommended approval of the tariff sheets as filed. In the Commission Order dated December 16, 2015, the Commission approved the tariff sheets as filed with the application with an effective date of January 1, 2016.

On December 21, 2015, the Company filed the finalized tariff sheets and the Commission issued its Action Request directing the Division to perform an investigation. This is the result of the Division's investigation and its recommendations.

DISCUSSION

The Division has reviewed the finalized tariff sheets attached to the Company's filing and verified that they match the tariff sheets that were filed with the application and approved in the Commission Order dated December 16, 2015. The filed tariff sheets include the changes in Docket No. 15-057-16 and replace the following sections:

- 2.09 ThermWise Energy Efficiency
- 2.10 ThermWise Appliance Rebates
- 2.11 ThermWise Builder Rebates
- 2.12 ThermWise Business Rebates
- 2.13 ThermWise Home Energy Plan
- 2.14 ThermWise Weatherization Rebates
- 2.15 Low-Income Efficiency Program
- 2.16 ThermWise Business Custom Rebates
- 2.17 Authorized Contractors
- 2.18 ThermWise Energy Comparison Report

CONCLUSION

The Division recommends that the Commission approve the proposed finalized tariff sheets as filed by the Company.
