

MDR_22 D.5 Miscellaneous Information.

Affiliates. A copy of Material new or Materially modified contracts or agreements entered into since the filing of the prior general rate case, including attachments thereto, if relevant to the costs the utility seeks to recover from Utah ratepayers through Utah regulatory operations or costs allocated or directly charged to Utah regulated operations included in the general rate case application, between the utility and/or its parent company and affiliated companies for services and/or goods rendered between or among them. This is to include a list of active contracts unless already provided in the most recent Affiliate Interest Report.

Answer: There have been no costs for such Material new or Materially modified contracts included in this general rate case. Nevertheless, the Company will make all of its affiliate agreements available for review upon request. Some such contracts contain confidential information and will be made available for inspection at the Company's offices upon reasonable notice to those who agree in writing to comply with the provisions of Utah Admin. Code R746-100-16.
