OMAG Expenses – Advertising. For the Base Year, the prior Historical Year and the Test Period the amount of advertising expense, by account, by type of advertising (i.e., informational, instructional, promotional).

Answer: The advertising expenses for the requested periods have been filed with the Utah Public Service Commission, Utah Division of Public Utilities and Utah Office of Consumer Services in each Results of Operations Report filed by the Company. The advertising expenses can be found in the “Advertising” tab of the “QGC Exhibit 4.16 Utah Rate Case Model.xls.” The test period amounts were calculated by taking the historical amounts and adjusting them for 2016 and 2017 using Global Insight inflation factors.
