**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

In the Matter of the Pass-Through Application of Questar Gas Company for an Adjustment in Rates and Charges for Natural Gas Service in Utah	Docket No. 16-057-05  <b>REQUEST FOR WITHDRAWAL AND REFILING OF APPLICATION</b>
--	---

Questar Gas Company (“Questar Gas: or the “Company”) respectfully requests that the Commission allow it to withdraw the Application filed on May 2, 2016 in this docket and to refile it *nunc pro tunc* in public and confidential versions. A portion of the Application inadvertently failed to designate information included in it as confidential. The refiling of the Application in public and confidential versions will prevent persons not authorized to receive the confidential information and not bound by Utah Code Annotated R746-100-16 from having access to it.

Questar Gas does not believe this refiling will impair the conduct of this docket or necessitate any delay in the hearing currently set for May 31, 2016. No person has sought intervention in this docket and the only entities that have participated in the docket are the Commission, the Division of Public Utilities and the Office of Consumer Services.

Questar Gas regrets any inconvenience to the Commission or the parties caused by this request.

WHEREFORE, Questar Gas respectfully requests that the Commission allow the Company to withdraw the Application and to refile it *nunc pro tunc* in public and confidential versions

DATED: May 27, 2016.

Respectfully submitted,

QUESTAR GAS COMPANY
