Attorney for Dominion Energy Utah

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

**IN THE MATTER OF QUESTAR GAS
COMPANY'S INTEGRATED RESOURCE
PLAN FOR PLAN YEAR: JUNE 1, 2016
TO MAY 31, 2017**

DOCKET NO. 16-057-08

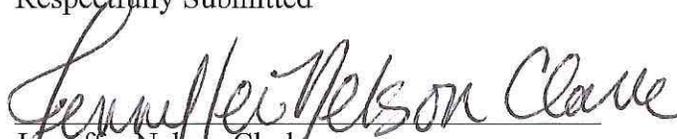

**DOMINION ENERGY UTAH'S
MOTION TO DEVIATE FROM
ELECTRONIC FILING
REQUIREMENT**

The undersigned, representing Questar Gas Company dba Dominion Energy Utah (Dominion Energy or Company) hereby moves the Public Service Commission of Utah (Commission) for permission to deviate from the electronic filing requirement set forth in Utah Admin. Code R746-1-203. Pursuant to Admin Code R746-1-109(2), movant attests that the rule imposes a hardship that outweighs the benefit(s) of the rule.

Dominion Energy is prepared to file its Fourth Quarter Variance Report (Report) in the above-referenced docket with the Commission. However, DEU Exhibits 9.1, 9.2, 9.3 and 9.4 contain Confidential Information and Dominion Energy does not yet have access to the Commission's SFTP system. Dominion Energy is currently working with its IT department and the Commission Staff to implement the new SFTP protocol so that confidential information can be filed electronically. The Company realizes the importance of filing the Report in a timely manner but, to do so, it must deviate from the rule in this instance. Therefore, the Company moves the Commission for leave to deviate from the rule in filing the Report and accompanying exhibits.

Dated this 31st day of August 2017.

Respectfully Submitted

A handwritten signature in cursive script that reads "Jennifer Nelson Clark". The signature is written in black ink and is positioned above the printed name.
