Subject: Action Request Response regarding Docket No. 16-057-T05.

In the Matter of Questar Gas Company's Proposed Tariff Revisions in Accordance with Commission Order Issued October 31, 2016

RECOMMENDATION

The Division of Public Utilities (Division) recommends that the Public Service Commission of Utah (Commission) accept the tariff sheets filed by Questar Gas Company (Company) on October 31, 2016.

BACKGROUND

On October 31, 2016 the Commission issued its order in docket numbers; 16-057-09, 16-057-10, 16-057-11, 16-057-12, 16-057-13 and 16-057-14. At the hearing the Company agreed to file final tariff sheets in these dockets that same day, which the Commission allowed. Later that day the Company filed its final tariff sheets with the Commission. Also, that same day the

Commission issued its Action Request directing the Division to perform an investigation. This Action Request Response is the result of the Division's investigation of those filed tariff sheets.

DISCUSSION

The Division has reviewed the final tariff sheets submitted to the Commission on October 31, 2016 and compared them to the sheets from each approved docket. These tariff sheets appear to accurately reflect the rates that the Commission ordered on that date.

CONCLUSION

The Division recommends that the Commission accept and approve the proposed Tariff sheets for sections 2.02, 2.03, 2.04, 4.02, 5.05, 5.06, and 5.07 as submitted by the Company.
