Re: *In the Matter of Questar Gas Company's Quarterly Integration Progress Reports;*
Docket No. 17-057-05

Dear Mr. McKay:

The Public Service Commission (PSC) reviewed Questar Gas Company's (now Dominion Energy Utah (Dominion)) April 17, 2017 filing of its first Quarterly Integration Progress Report (Report). The filing was made pursuant to paragraph 36 of the Settlement Stipulation (Stipulation) approved in the PSC's September 14, 2016 Order in Docket No. 16-057-01.

The PSC also reviewed the Division of Public Utilities' (DPU) May 30, 2017 comments. The DPU concludes the filing satisfies paragraph 36 of the Stipulation and recommends the PSC acknowledge receipt of the Report. The DPU adds that its recommendation should not be construed as an endorsement or preapproval that the costs or actions identified by Dominion are prudent, necessary, or in the public interest, as those issues will be addressed in the next general rate case.

Based on the PSC's review of Dominion's filing and the DPU's comments, the PSC acknowledges receipt of the Report.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
