Subject: Dominion Energy Utah Docket No.
17-057-05 – Quarterly Integration Progress Report

ISSUE:

On August 16, 2017, Dominion Energy Utah (Dominion) filed its Second Quarter 2017 Integration Progress Report (Report) relating to the merger of Questar Gas Company and Dominion Resources. On August 17, 2017, the Utah Public Service Commission (Commission) filed a Notice requesting comments from interested parties with a due date of Monday, October 2, 2017 with reply comments on or before Monday, October 16, 2017.

REQUEST:

The Division requests an extension of the due date for interested party comments to Tuesday, October 10, 2017 and would request a similar extension for reply comments to Tuesday, October 24, 2017.

DISCUSSION:

The Division has requested information from Dominion, which will require additional time to prepare and therefore requests an extension of the due date to October 10, 2017. The Division has had discussions with the Company and it does not oppose the time extension.
