- Other – Explanation and Statement of Issues to be Addressed (See Below):

Other: Since the Public Service Commission (PSC) approved the Dominion-Questar merger, Dominion has filed three Integration Progress Reports in Docket No. 17-057-05. Each of these reports presents information on Transition costs related to the merger. Transition costs related to the merger for the period July 1, 2016 through June 30, 2017 are also presented in the Dominion Energy Utah June 2017 Results of Operations (ROO) Report and model (See Adjustment Tab labeled "Transition Costs") filed with the PSC in Docket No. 17-057-06. The Transition cost

*In the event the PSC issues an order or notice providing dates for comments and/or testimony in this docket:

- The DPU shall respond consistent with the order or notice;
- The order or notice, including any deadlines, shall supersede and replace this action request; and
- This action request shall be deemed withdrawn.

information provided in the Merger Integration reports does not appear to be consistent with that presented in the June 2017 ROO Report.

Please evaluate these filings and provide a detailed explanation of the Transition costs by month and a reconciliation of these amounts with the June 2017 ROO Report Transition adjustment amounts.

*In the event the PSC issues an order or notice providing dates for comments and/or testimony in this docket:

- The DPU shall respond consistent with the order or notice;
- The order or notice, including any deadlines, shall supersede and replace this action request; and
- This action request shall be deemed withdrawn.
