Re: Dominion Energy Utah's Integrated Resource Plan for Plan
Docket No. 17-057-12

Dear Commissioners:

On January 26, 2017, the Utah Public Service Commission (Commission) issued a Public Notice for a series of pre-filing workshops related to Dominion Energy Utah's (Dominion Energy or Company) 2017 Integrated Resource Plan. The Public Notice did not indicate that the June 27, 2017, meeting would be a confidential meeting. I am writing to ensure that the Commission is aware that the Company's planned presentation for June 27, 2017, will contain certain information that is deemed confidential. Similarly, participants' questions could call for the disclosure of confidential information. The Company will defer to the Commission to determine how best to conduct the meeting.

Should you require any further information, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Barrie L. McKay".
