Application of Dominion Energy Utah to Change the Infrastructure Rate Adjustment; 2017

This is a request for the Division of Public Utilities (DPU) to provide analysis, evaluation results, and the basis for conclusions and recommendations regarding the following:

- Review for Compliance and Make Recommendations
- Review Application and Make Recommendations
- Review the Complaint and Indicate whether the DPU has a Recommendation
- Review Notice and Make Recommendations
- Review Request for Agency Action and Make Recommendations
- Respond in Accordance with the Notice of Filing and Request for Comments
- Investigate
- Other – Explanation and Statement of Issues to be Addressed (See Below):

On Jan. 6, 2017, Dominion initiated an interruption of non-firm service and provided notice to all of its interruptible sales and interruptible (non-firm) transportation customers to interrupt their usage. According to the DPU, 286 of 603 Interruptible customers that were served the notice of interruption failed to do so, incurring the surcharge and penalty as dictated by Dominion Energy

*In the event the PSC issues an order or notice providing dates for comments and/or testimony in this docket:

- The DPU shall respond consistent with the order or notice;
- The order or notice, including any deadlines, shall supersede and replace this action request; and
- This action request shall be deemed withdrawn.

Utah Natural Gas Tariff PSCU 500 (Tariff).¹ Per Section 3.02 of the Tariff, any such penalties recovered by Dominion shall be credited to the ratepayers as a reduction to the Infrastructure Rate-Adjustment Mechanism.

Please identify the level of penalties Dominion has assessed and collected resulting from the January 6, 2017 curtailment and how they have been accounted for pursuant to Section 3.02 of Dominion's Tariff.
