Acquiring Firm Services – Tariff Revision

First-Come, First-Serve Requests

- Capacity must have been posted
- Requests are submitted online via QuestLine®
- One day minimum term of service
- All submitted requests are binding

Acquiring Firm Services – Tariff Revision

Bid Process

- Highly desired capacity
- Bid Timelines
 - Bid periods can occur as needed
 - Capacity Available for Term \geq year requires a minimum 3 day bid period
 - Capacity Available for Term $<$ year requires a minimum 1 day bid period
- Only one active bid, subject to updating
- Highest economic value (as set forth in the notice) will determine winning bidder
- 30-minute compete round at the close of initial Bid Period if:
 - Top two or more bidders with equal economic value and collectively require more capacity than is available
- All submitted requests are binding

Acquiring Firm Services – Tariff Revision

Prearranged Service

- DEQP and Shipper enter into prearranged service agreement
 - Capacity without a ROFR
- Triggers Bid Process with competing requests made via QuestLine®
- Highest Economic value will determine winning bid
- Prearranged shipper one time right to match
- DEQP may treat permanent amendment requests as prearrangement to ensure capacity goes to shipper valuing it most
- All submitted requests are binding

Acquiring Firm Services – Tariff Revision

Open Season Request

- DEQP will post an open season for an expansion of facilities
- Potential shippers will have the ability to bid for capacity and execute a binding service agreement according to the terms set forth in the Open Season notice
- Capacity will be awarded and contract(s) executed if sufficient support is received for the proposed expansion

Acquiring Firm Services – Tariff Revision

Requests for Future Capacity

- Will accept requests for future service within the following timeframe:
 - Term of Service < 1 year: Contract to commence no later than 90 days after award date
 - Term of Service \geq 1 year: Contract to commence within 1 year after award date

Acquiring Firm Services – Tariff Revision

Amendment Requests

- Temporary Contract Amendment Requests
 - Receipt and Delivery locations amended for up to 30 days
 - Capacity returns automatically to original primary path and locations
 - Amendments for the next month can be submitted after 12:00 p.m. CCT on the 4th business day prior to the end of the month. - A notice will no longer be posted announcing this amendment period.
- Permanent Contract Amendment Requests
 - Receipt and Delivery locations amended for the life of contract
 - May treat permanent amendment requests as a prearrangement to ensure capacity goes to shipper valuing it most
- If shipper seeks to use posted capacity or capacity subject to a Bid Proc an amendment, then such amendment requests will be assigned an eco value of zero.

Acquiring Firm Services – Tariff Revision

Award of Service

- Service Requests will be evaluated and awarded per tariff provisions.
 - Highest Net Present Value unless otherwise stated
- If there are tying bids:
 - Highest economic value awarded first
 - Maximum tariff rate bid evaluated higher than fixed rate bid equal to maximum tariff rate
 - If bids are equal, awards will be based on pro rata allocation

Acquiring Firm Services – Tariff Revision
