Re: *Investigation of Revenue Requirement Impacts of the New Federal Tax Legislation Titled: "An act to provide for reconciliation pursuant to titles II and V of the concurrent resolution of the budget for fiscal year 2018"; Docket No. 17-057-26*

Dear Mr. Mendenhall,

The PSC reviewed Dominion Energy Utah's (DEU) July 1, 2019 filing of proposed modifications to Pages 2-2 through 2-6, 4-2, 4-3, 5-6, 5-7, 5-10, and 5-11 of its Utah Natural Gas Tariff PSCU 500 ("Tariff"). Consistent with the settlement stipulation approved by the PSC on June 1, 2018 in this docket ("Stipulation"), DEU proposes to remove Tax Reform Surcredit 2 from the GS, FS, NGV, IS, TBF, and Transportation Service rate schedules, effective August 1, 2019. On July 17, 2019, DEU filed updated tariff sheets correcting page numbering discrepancies related to the IS rate schedule, *i.e.*, Pages 4-2 and 4-3 were renumbered as Pages 4-3 and 4-4, respectively.

The PSC also reviewed the Division of Public Utilities' (DPU) July 15, 2019 Action Request Response. The DPU concludes DEU's proposed Tariff changes comply with the Stipulation and recommends the PSC approve them.

Based on the DEU's filings and the DPU's comments and recommendation, the PSC concludes the Tariff modifications comply with the Stipulation. Accordingly, Tariff Pages 2-2, 2-3, 2-4, 2-5, 2-6, 5-6, 5-7, 5-10, and 5-11 are approved as filed on July 1, 2019 and Tariff Pages 4-3 and 4-4 are approved as filed on July 17, 2019, effective August 1, 2019.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
