Pursuant to the Notice of Filing, Comment Period and Docket Numbering Clarification issued in the above-referenced docket on January 31, 2017, Questar Gas Company (Questar Gas or the Company) respectfully submits these Reply Comments and the attached updated tariff sheets reflecting proposed changes to Section 8.07 of the Company's Utah Natural Gas Tariff No. 400 (Tariff). Questar Gas submits these comments and attachments in order to correct an error in the originally submitted legislative and proposed tariff sheets.

On January 26th, 2017 the Company submitted the Application in this matter, seeking changes to Section 8.07 of the Tariff to (1) update the Company's carrying charge to 4.19%, with an effective date of March 1, 2017, (2) modify the date on which the carrying charge must be updated each year, and (3) remove a reference to an obsolete source of data. The Company subsequently discovered that it omitted the word "year" from the legislative and proposed tariff sheets that had been provided as Exhibit 1.

DATED this 22nd day of February 2017.

Respectfully submitted,
