

Qualifications of Judd E. Cook

Educational Background

I received a Bachelor of Science degree in Information System and Technology from Weber State University in 2001 and a Masters of Business Administration from Weber State University in 2003.

Current Responsibilities

I am currently employed as a Director of Business Development. I am responsible for new business initiatives and strategic planning.

Prior Experience

I was hired by Questar Gas Company in 1997 and have worked in various departments including Regulatory Affairs, Portfolio Management, Audit, and Budget/Planning. While employed in Regulatory Affairs I assisted in the preparation of testimony and exhibits in several rate cases and other tariff filings. In addition, I have previously presented testimony before the Utah Public Service Commission and the Wyoming Public Service Commission. For 5 years I was responsible for Business Development for the Questar Corporation subsidiary Questar Fueling. I began working in my current position at the end of 2016 when Dominion Resources, Inc. finalized the sale of Questar Fueling.
