

P.S.C.U. Docket No. 18-057-03  
OCS Data Request No. 3.07  
Requested by Division of Public Utilities  
Date of DEU Response August 10, 2018

OCS 3.07: Has Dominion Energy Utah authorized Dominion Energy/Questar Pipeline to act on its behalf to nominate quantities of gas required from receipt sources designated by Dominion Energy Utah to provide NNT service, as described in subsection (3)(g) of the pipeline's tariff?

Answer: Yes. DEU has authorized DEQP to make nomination changes at its storage facilities and to utilize the cut-and-boost list as necessary to provide NNT service.
