**\*\* Important Information Regarding Your Gas Line \*\***

Dear [Redacted]

Many homeowners aren't aware that the gas line on their property that runs to the outdoor and indoor appliances is the responsibility of the homeowner. This natural gas line is subjected to corrosion and normal wear and tear—the same elements that may affect utility gas mains, which may cause a breakdown without warning, leaving you responsible for the cost of repair or replacement. Replacement of this line can be expensive—costing you hundreds of dollars in unforeseen expenses—and that can be hard on a budget.

Dominion Energy has partnered with HomeServe to offer its eligible customers Gas Line Coverage for repairs to their gas line. This voluntary line repair program from HomeServe provides repair coverage for your gas line with no deductible. This program provides a 24-hour hotline, 365 days a year.

**Benefit Amount:** \$8,000 annually with multiple service calls for covered repairs  
30-day wait period with a money-back guarantee

**Monthly Rate:** \$5.49

**Property Address:** [Redacted]

**City:** [Redacted]
