Re: *Dominion Energy's Gas Line Coverage Letter – Submission of Clarification Letters;*  
Docket No. 18-057-07

Dear Mr. Mendenhall,

The Public Service Commission (PSC) reviewed Dominion Energy Utah's (DEU) November 2, 2018 clarification letters, submitted pursuant to our October 4, 2018 Report and Order<sup>1</sup> (Order) in the docket listed above. DEU states the clarification letters are the result of a collaborative process involving the Utah Division of Public Utilities (DPU) and the Utah Office of Consumer Services (OCS). DEU represents the DPU and OCS have approved each letter: one to be sent to customers subscribed to gas line service,<sup>2</sup> and the other to those subscribed to water line service.<sup>3</sup>

Based on the PSC's review of this filing, and for good cause appearing, the PSC accepts the clarification letters as filed as complying with the Order. Accordingly, the PSC authorizes the transmission of the letters as requested by DEU.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
