Re: Docket No. 18-057-21
(Compliance with the Report and Order in Docket No. 13-057-05
Infrastructure Rate Adjustment Mechanism Pilot Program)

Dear Commissioners:

Pursuant to the Report and Order approving Partial Settlement Stipulation in Docket No. 13-057-05 (Order), Questar Gas Company (Questar Gas or the Company) respectfully submits the following attachments:

Confidential Attachment 1: The high pressure (HP) feeder line master list (HP Master List)
Confidential Attachment 2: The current HP feeder line replacement schedule (HP Schedule)

Due to a delay in updating footage data in the intermediate high pressure (IHP) mapping system, the IHP master list and replacement schedule will be filed separately at a later date.

The HP master list and replacement schedule are subject to change according to the terms and conditions set forth in the Order and the Partial Settlement Stipulation.

The attached documents are shown in both confidential and redacted format, for your convenience. The documents are submitted as confidential documents pursuant to the Utah Public Service Commission's (Commission) Rules, Utah Admin. Code R746-100-16 and the Government Records Access and Management Act (GRAMA), Utah Code Ann. 63G-2-101 et seq.

If you or your staff has additional questions concerning these reports, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kelly Mendenhall".
