Ms. Reif,

Mr. Ahmad and I spoke this morning. The DPU is amenable to moving the hearing date pursuant to Mr. Ahmad's request.

PEMC has authorized the DPU to make the following representations. PEMC and DPU together will determine appropriate alternative hearing dates and by July 5th will file a formal response to the Commission's order once those potential dates have been agreed upon. In addition, PEMC and DPU agreed that today's cutoff date for discovery would be extended to a date to be determined after potential hearings dated are determined.

Would the Commission like DPU to file seeking extension of the discovery cutoff date or will this email be sufficient?

Thank you,

Trisha Schmid

Subject: Motion

I am scheduled for surgery on the 20th of July. Currently, I am in considerable pain due to Kidney Stones, therefore I request that the hearing for July 19th be rescheduled. At this time I do not have a time frame for after surgery recovery.

Thanks
