Re: Tariff Sheet Compliance Filing, Docket No. 19-057-02: *Application of Dominion Energy Utah to Increase Distribution Rates and Charges and Make Tariff Modifications*

Dear Mr. Mendenhall:

The Public Service Commission (PSC) reviewed the March 10, 2020 filing by Dominion Energy Utah (DEU) reflecting the Step 1 rate changes and all other changes to its Utah Natural Gas Tariff PSCU 500 ("Tariff") identified in our February 25, 2020 Report and Order in Docket No. 19-057-02 ("2020 Order").

The PSC also reviewed the Division of Public Utilities' (DPU) March 13, 2020 comments recommending the PSC approve the revised Tariff sheets as filed. DPU states the Tariff sheet revisions accurately reflect the Step 1 rate changes and all other tariff changes ordered in the 2020 Order. DPU also states revised Tariff sheets for Step 2 and Step 3 rate changes were not provided as required by the 2020 Order because the effective dates for these changes have not yet been determined.<sup>1</sup> DPU believes the intent of the 2020 Order is that the Step 2 and Step 3 rate changes be included in the Tariff at the stated dates: Fall of 2020 for Step 2 and Fall of 2021 for Step 3, as identified in Table 6 of the 2020 Order.

Based on the PSC's review of the filing and DPU's comments and recommendations, DEU's Tariff revisions are approved as filed, effective March 1, 2020. The PSC concurs with DPU's interpretation of the filing dates for the Step 2 and Step 3 rate changes.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary  
DW#312625

---

<sup>1</sup> The 2020 Order directed DEU to "file appropriate Tariff revisions reflecting the Step 1 through Step 3 rate changes and all other Tariff changes approved herein within 14 days after the date of this Report and Order."
