Re: **Docket No. 19-057-11 Termination of Contract** Application of Dominion Energy Utah for Approval of a Special Contract with Fleet Saver, LLC for RNGT Service

Recommendation (Approve)

Dominion Energy Utah (Company) moved the Utah Public Service Commission for leave to terminate the special contract in this docket between the Company and Fleet Saver, LLC prior to the previously agreed-upon termination date. The Division of Public Utilities (Division) has spoken to the Company regarding this matter and understands that the reduced administrative revenue from early termination of the contract will have no impact to existing NGV customers using the stations and will have no impact on GS customers. Accordingly, the Division does not oppose this motion.
