On May 10, 2019, the Public Service Commission (“Commission”) issued an Action Request to the Division of Public Utilities (“Division”) for a review of Dominion Energy-Utah’s Results of Operations Report for year ending December 31, 2018, indicating a due date of June 10, 2019.

The Division is in the process of determining and requesting the information necessary to complete the review and finds that additional time will be required to complete this review. The Division will file a report as soon as practicable but no later than August 31, 2019. Therefore, the Division requests the Commission extend the due date to August 31, 2019.
