Dear Commissioners:

Pursuant to the Order Memorializing Bench Ruling Approving Settlement Stipulation and Order Granting Motion in Docket No.19-057-25 and paragraph 9 of the Settlement Stipulation attached thereto, Questar Gas Company dba Dominion Energy Utah (Dominion Energy) respectfully submits the attached quarterly update concerning the transponder replacement program.

Paragraph 9 of the above-referenced Settlement Stipulation provides that "Dominion Questar Gas will provide quarterly updates to the Commission about the status of the transponder replacement program", this is the fifth of such updates. Dominion Energy will continue to submit future updates quarterly until the completion of the replacement program.

As of the end of December 2020, there remain about 2,300 transponders that need to be replaced. It is anticipated that these will be replaced by March 31, 2021. At this time the transponder replacement program will be complete. If you have any questions or concerns, please contact me.

Sincerely,
