Re: *Dominion Energy Utah's Replacement Infrastructure 2020 Annual Plan and Budget;*
Docket No. 19-057-30

Dear Mr. Mendenhall:

The Public Service Commission (PSC) reviewed Dominion Energy Utah's (DEU) Replacement Infrastructure Annual Plan and Budget for calendar year 2020 ("2020 Plan") filed on November 15, 2019, and the Division of Public Utilities' (DPU) comments filed on December 16, 2019.

The DPU recommends the PSC acknowledge the 2020 Plan as complying with the reporting requirement in paragraph 22(b) of the Partial Settlement Stipulation in Docket No. 13-057-05.¹ The DPU notes the 2020 Plan budget of \$80 million is based on the amount DEU proposed in its current general rate case in Docket No. 19-057-02.² The DPU states an inflation-adjusted budget would be approximately \$72 million.

Based on the PSC's review of the 2020 Plan and the DPU's comments and recommendation, the PSC acknowledges the 2020 Plan as complying with the reporting requirement approved by the PSC in Docket No. 13-057-05. DEU's final 2020 Plan budget amount will be determined in Docket No. 19-057-02.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
DW#311686
