

P.S.C.U. Docket No. 19-057-32
OCS Data Request No. 1.12
Requested by the Office of Consumer Services
Date of DEU Response December 30, 2019

OCS 1.12: Please refer to Legislative Tariff Sheets DEU Exhibit 1.08 (in Docket 19-057-31) and DEU Exhibit 1.08 (in Docket 19-057-32). In the 31 docket GS tariff, the new rate includes a “Rural Expansion Rate Adjustment” but the 32 docket GSE tariff does not have this same rural expansion rate adjustment. Does this mean that those on the GSE rate will not share in the cost of system expansion to Eureka like all other GS customers will? If so, what is the reasoning for this?

Answer: The Company intends that GSE customers will be subject to the same rural expansion rate adjustment as all other customers. The Rural Expansion Rate Adjustment was inadvertently left off the tariff sheet provided in Docket No. 19-057-32.
