BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF THE APPLICATION OF DOMINION ENERGY UTAH TO EXTEND SERVICE TO EUREKA, UTAH	Docket No. 19-057-31 SUBMISSION OF PERMITS
--------------------------------------------------------------------------------------------------	------------------------------------------------------

Pursuant to the Utah Public Service Commission’s (Commission) Report and Order issued on August 27, 2020 in the above-referenced docket, Questar Gas Company dba Dominion Energy Utah (Company, DEU, or Dominion Energy) respectfully submits three (3) permits related to the Company’s expansion into the town of Eureka, Utah.

On November 21, 2019, Dominion Energy filed a notice with the Commission that it intended to file a voluntary request for Commission approval to extend its high pressure and intermediate-high pressure natural gas distribution system to the city of Eureka, Utah. On August 27, 2020, the Commission issued an Order approving the Company’s request with some conditions. The Order provided, among other things, that the Commission granted the Company a Certificate of Public Convenience and Necessity “subject to DEU filing, as soon as practicable, documentation showing that it has obtained any consent, franchise agreement, or any other permit

required by the city of Eureka, or any other local governmental entity having jurisdiction over the project.” Order at p. 31.

Since that time, the Company obtained certain permits related to constructing that expansion. Accordingly, the Company has attached the following:

- Utah General Permit for Stormwater Discharges from Construction Activities UPDES Permit No. UTRC00000, Stormwater Pollution Prevention Plan, attached as DEU Exhibit 1.
- UDOT Encroachment Permit No. 113374, attached as DEU Exhibit 2.
- Eureka City Excavation Permit No. EUR-05-13-21-885, attached as DEU Exhibit 3.

RESPECTFULLY SUBMITTED this 10th day of January 2022.
