

Qualifications of Michael A. Orton

Educational Background

I received a Bachelor of Science degree with a dual major in finance and business administration from the University of Utah in 2003 and a Masters of Business Administration from the University of Utah in 2007. I serve on the Board of the Southwest Energy Efficiency Project. I have participated in numerous seminars and conferences on energy-efficiency sponsored by the American Gas Association, Consortium for Energy Efficiency, and Western Energy Institute.

Current Responsibilities

I am employed by Dominion Energy Utah as the Manager of Energy Efficiency. My work over the past six years has primarily involved overseeing energy efficiency program design and implementation within in the States of Utah and Wyoming.

Prior Experience

I have been employed by Dominion Energy Utah and its predecessor, Questar Gas Company, since 1997. In this time I have served in different positions including as an Accountant, Business Development Analyst, and Supervisor.
