ORDER GRANTING MOTION AND CANCELING SCHEDULING CONFERENCE

On the morning of May 1, 2020, Dominion Energy Utah (DEU) filed a Motion to Reschedule Scheduling Conference (“Motion”), requesting the Public Service Commission (PSC) postpone the scheduling conference previously noticed for the afternoon of that date. The Motion represents that DEU “is working with other parties in an effort to settle this matter and believes that if the matter settles, many dates that would otherwise be set during a scheduling conference may be unnecessary.” The Motion asks the PSC cancel the scheduling conference it previously noticed for May 1, 2020 at 1:00 p.m. and set a scheduling conference on May 8, 2020. DEU represents it conferred with the Division of Public Utilities, the Office of Consumer Services, the Utah Association of Energy Users, and Rocky Mountain Power and all indicated “they either support or do not oppose [the Motion].”

Based on DEU’s representation that no opposition exists and good cause otherwise appearing, the Motion is granted. The scheduling conference previously noticed for May 1, 2020 at 1:00 p.m. is canceled.
