DOCKET NO. 19-057-33
ORDER GRANTING MOTION, SECOND
AMENDED SCHEDULING ORDER, AND
NOTICE OF TELEPHONIC HEARING

ISSUED: July 9, 2020

On May 14, 2020, the Public Service Commission (PSC) issued a Scheduling Order and Notice of Hearing (“Scheduling Order”) in this docket. On July 1, 2020, Dominion Energy Utah (DEU) submitted a Motion to Amend the Scheduling Order to Extend the Rebuttal Testimony Deadline (“Motion”). In response to the Motion, on July 2, 2020, the PSC issued an Order Granting Motion, Amended Scheduling Order, and Notice of Telephonic Hearing (“Amended Scheduling Order”).

On July 8, 2020, DEU filed a Motion to Amend the Amended Scheduling Order to Vacate Testimony Deadlines (“Second Motion”). DEU states it has been discussing settlement with the Office of Consumer Services (OCS), the Division of Public Utilities (DPU), the Utah Association of Energy Users (UAE), and Rocky Mountain Power (RMP) (collectively, the “Parties”). According to DEU, the Parties have nearly concluded their settlement discussions and believe a settlement stipulation will be filed with the PSC prior to the hearing scheduled for July 30, 2020. DEU further states if a settlement is reached prior to the hearing, the rebuttal and surrebuttal testimony filing deadlines of July 8, 2020 and July 22, 2020, respectively, will not be necessary. However, if a settlement does not occur prior to the hearing, the Parties will propose alternate dates for the filing of such testimony.

DEU represents that OCS, DPU, and UAE either support or do not oppose the Second Motion. Good cause appearing, the Second Motion is granted. The amended schedule in this docket shall be as follows:

NOTICE OF TELEPHONIC HEARING

Pursuant to Utah Code Ann. § 52-4-207, on this July 9, 2020, the chair of the PSC makes this written determination that, due to the COVID-19 pandemic and the continued risks of transmission in Utah, the hearing scheduled for **Thursday, July 30, 2020, beginning at 9:00 a.m.** will be conducted as an electronic meeting without an anchor location. An anchor location would provide a substantial risk to the health and safety of those who may be present at the anchor location. Participants should use the following bridge number: 720-279-0026 or 877-820-

7831 and the following passcode: 249364. All parties must have their witnesses in attendance and prepared to testify.

This hearing will be conducted as an electronic meeting telephonically, with audio only. While video technology is readily available, the PSC's primary objective is developing an evidentiary record on which to base its decisions. Video technology provides some advantages for a hearing, but also presents additional challenges including generally lower quality audio, higher risk of internet interruptions or other technological complications, and increased potential for a hearing to be compromised by someone with malicious intent. Many participants in PSC hearings have years of experience with audio-only telephonic testimony, and the PSC intends to continue using that technology platform for hearings.

In accordance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during the hearing should notify the PSC at 160 East 300 South, Salt Lake City, Utah 84111, (801) 530-6716, at least three working days prior to the hearing.

DATED at Salt Lake City, Utah, July 9, 2020.

Presiding Officer
