**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

APPLICATION OF DOMINION ENERGY  
UTAH FOR THE CREATION OF A  
VOLUNTARY RENEWABLE NATURAL  
GAS PROGRAM

Docket No. 19-057-T04

**MOTION TO MODIFY SCHEDULING  
ORDER, NOTICE OF TECHNICAL  
CONFERENCE, AND NOTICE OF  
HEARING**

Questar Gas Company dba Dominion Energy Utah (“Dominion Energy” or “Company”), respectfully moves the Utah Public Service Commission (“Commission”) to enter an order modifying the Scheduling Order, Notice of Technical Conference, and Notice of Hearing issued on April 11, 2019 in this docket (“Scheduling Order”) such that reply comments will be due on July 10, 2019 instead of July 3, 2019. The basis for this motion is set forth below.

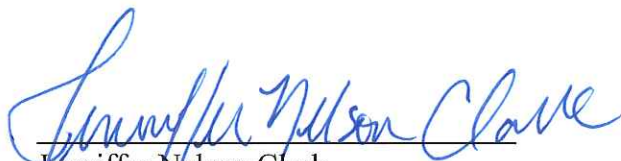

On March 29, 2019, the Company filed the Application in this matter. On April 11, 2019, the Commission issued the Scheduling Order requiring, among other things, that reply comments would be due on July 3, 2019 and that the hearing would be held on July 16, 2019. Subsequently, the Commission held a Technical Conference in the matter and the Utah Office of Consumer Services (“Office”) and the Division of Public Utilities (“Division”) both submitted comments. Thereafter, the Utah Association of Energy Users (“UAE”) was granted intervention. The Company, the Office, the Division and UAE are referred to herein as the “Parties.”

The Parties have engaged in settlement discussions and believe that there is a high likelihood that they will reach settlement in advance of the scheduled hearing. Should they do so, reply comments would be unnecessary. Therefore, the Company respectfully requests that the Commission extend the deadline for submitting reply comments until July 10, 2019 in order to provide the Parties with time to complete settlement discussions and to submit a written settlement stipulation prior to any requirement to submit reply comments. The proposed July 10, 2019 deadline is in advance of the scheduled hearing date, and would not necessitate the extension of any other deadlines.

The Parties have authorized Dominion Energy to represent that that none oppose this Motion.

Based on the foregoing, Dominion Energy respectfully requests that the Commission issue an order modifying the Scheduling Order as more fully described above.

DATED: July 3, 2019.
