Re: *Motion of Dominion Energy Utah for Approval to Deviate from Applicable Tariff Provisions and Commission Rules in Response to COVID-19, Docket No. 20-057-T03*

Dear Mr. Mendenhall:

The Public Service Commission (PSC) reviewed Dominion Energy Utah's (DEU) Notice of Resumption of Business Practices – In-Home Energy Audits and Full Connection Services ("Notice") filed on June 4, 2021. The Notice, filed pursuant to the PSC's Order Granting Motion issued March 16, 2020 in this docket and Order Granting Second Motion issued November 2, 2020 ("Orders"),¹ informs the PSC that DEU will resume its business practices related to in-home ThermWise™ Home Energy Assessments and full connection services, including in-home checking of appliances, effective July 1, 2021. According to DEU, these are the only remaining business practices subject to the Orders. DEU adds it will continue to offer virtual Energy Assessments.

The PSC also reviewed the Action Request response filed by the Division of Public Utilities (DPU) on June 14, 2021. DPU recommends the PSC approve DEU's request to resume its normal business practices related to in-home energy audits and full connection services. DPU states returning to full and regular business practices is appropriate. DPU further states that on July 1, 2021, DEU will have fully resumed all of the activities addressed in this docket, and there will be no outstanding waivers.

Based on the PSC's review of DEU's Notice and DPU's comments and recommendation, the PSC acknowledges that DEU's Notice complies with the notification requirements in the Orders and that as of July 1, 2021 DEU will have fully resumed all of its normal business activities identified in this docket.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary

¹ The Orders require DEU to timely notify the PSC when it intends to resume its normal business practices.
