BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF DOMINION ENERGY UTAH'S INTEGRATED RESOURCE PLAN (IRP) FOR PLAN YEAR: JUNE 1, 2021 TO MAY 31, 2022	Docket No. 21-057-01 MOTION TO AMEND NOTICE OF TECHNICAL CONFERENCES
--	---

Questar Gas Company dba Dominion Energy Utah (Dominion Energy or Company) respectfully submits this Motion to amend the Notice of Technical Conferences issued by the Utah Public Service Commission (Commission) on January 11, 2021 to include an additional subject to the Technical Conference scheduled for February 9, 2021. The Company makes this Motion based upon the following:

On January 11, 2021, the Company filed a Notice of Intent to file IRP and Request for Scheduling Order and Notice of Technical Conferences. On January 11, 2020, the Commission issued a Notice of Technical Conferences setting a date, time and location for four (4) technical conferences in the above-referenced docket, including a technical conference scheduled for February 9, 2021. Since that time, the Company has identified an additional subject it would like to discuss at the February 9, 2020 Technical Conference. The Company proposes to discuss and obtain feedback on its strategy for hedging natural gas supplies beginning in the 2021-2022 IRP. Accordingly, the Company

proposes to add “Gas Supply Hedging” as a subject for the February 9, 2021 technical conference. This topic will not require the disclosure of any confidential information.

Based on the foregoing, the Company respectfully requests that the Commission amend the Notice of Technical Conferences as more fully set forth above.

RESPECTFULLY SUBMITTED this 25th day of January, 2021.
