<DEU Exhibit R_Corrected.pdf>

PublicService Commission <psc@utah.gov>

05.04.2021 PSCU Docket No. 21-057-08.....We have repeatedly said: "We have NO idea what any of this means? We are not attorneys. We do not have and cannot afford legal representation for this contest. This is not a fair fight. We want legal representation of the same or greater caliber provided to us at no cost so we may have a fair contest. We want a jury to decide these issues, not a judge. We want an attorney for us to re-write an amended complaint properly and fully citing the laws that dominion energy has violated against us. And, we cannot work at our jobs and sort out these correspondences at the same time. It is impossible. And, we do not want to be contacted again and anymore, except through and assigned and paid for attorney that represents us. So do not write, email, call or correspond with us again. These overwhelming legal attacks are harassing to our day to day life. Yours truly, Property Manager for 402 Aspen Road, Francis,
