*Attorney for Questar Gas Company
dba Dominion Energy Utah*

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF THE APPLICATION OF DOMINION ENERGY UTAH TO EXTEND SERVICE TO GREEN RIVER, UTAH	Docket No. 21-057-12 SUBMISSION OF PERMITS
--	--

Pursuant to the Utah Public Service Commission’s (Commission) Report and Order issued on January 19, 2022 in the above-referenced docket, Questar Gas Company dba Dominion Energy Utah (Company, DEU, or Dominion Energy) respectfully submits thirty-three (33) permits related to the Company’s expansion into the town of Green River, Utah.

On June 11, 2021, Dominion Energy filed a notice with the Commission that it intended to file a voluntary request for Commission approval to extend its high pressure and intermediate-high pressure natural gas distribution system to the city of Green River, Utah. On December 10, 2021, the Company jointly submitted a Settlement Stipulation with the Utah Division of Public Utilities (Settlement). On January 19, 2022, the Commission issued an Order approving the Settlement. The Order provided, among other things, that the Commission granted the Company a Certificate of Public Convenience and Necessity, and also recognized that the signatories of the settlement

agreed “DEU will file copies of any necessary permits obtained for the construction of the facilities” Order at p. 5.

Since that time, the Company obtained certain permits related to constructing that expansion. DEU Exhibit 1 is a table with descriptions of each permit collected. DEU Exhibits 2 through 34 are copies of the permits.

RESPECTFULLY SUBMITTED this 1st day of December, 2023.
