Re: *Application of Dominion Energy Utah to Extend Service to Green River, Utah -
Docket No. 21-057-12*

Dear Ms. Clark,

The Public Service Commission (PSC) reviewed the 33 permits filed by Dominion Energy Utah (DEU) on December 1, 2023 ("Permit Filing") pursuant to the PSC's January 19, 2022 Order Approving Settlement Stipulation in Docket No. 21-057-12 approving a Certificate of Public Convenience and Necessity for DEU's extension of natural gas service to Green River, Utah ("Order"). The Division of Public Utilities (DPU) filed comments on December 15, 2023 recommending the PSC acknowledge DEU's Permit Filing as complying with the Order.

Based on the PSC's review of DEU's Permit Filing and DPU's comments and recommendation, the PSC acknowledges DEU's Permit Filing complies with the Order's requirements related to permits.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
