Re: *Application of Dominion Energy Utah to Extend Service to Green River, Utah,*
Docket No. 21-057-12

Dear Mr. Summers:

On January 19, 2022, the Public Service Commission (PSC) issued its Order Approving Settlement Stipulation (the "Settlement") in the referenced docket (the "Order"). Dominion Energy Utah (DEU) and the Division of Public Utilities (DPU) agreed, among other things, that the PSC should grant DEU a certificate of public convenience and necessity (CPCN) to offer natural gas service to Green River, Utah and the surrounding areas.

Consistent with the Settlement, the PSC "approve[d] the Settlement and the underlying resource decision to purchase the PEMC pipeline ... and grant[ed] a CPCN to DEU to offer natural gas services in Green River, Utah and surrounding areas." The PSC recently learned that it did not attach to its Order the CPCN that was granted. To remedy the inadvertent oversight, the PSC attaches the CPCN hereto reflecting an effective date of January 19, 2022.

Please contact the PSC if you have any questions or concerns.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
