Re: *Request of the Division of Public Utilities for Enforcement Action under the Natural Gas Pipeline Safety Act against Dominion Energy Utah; Docket No. 21-057-24*

Dear Mr. Mendenhall:

The Public Service Commission (PSC) reviewed Dominion Energy Utah's (DEU) Snow Shelter Inspection and Placement Progress Report ("Snow Shelter Report") filed on January 27, 2022. The Snow Shelter Report details the progress DEU has made in inspecting and installing new snow shelters over meters that need additional protection. The Snow Shelter Report was filed pursuant to the requirements in the PSC's January 20, 2022 Order Approving Settlement Stipulation in Docket No. 21-057-24 ("Order").

The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on February 14, 2022. DPU recommends the PSC acknowledge the Snow Shelter Report as complying with the Order.

Based on the PSC's review of the Snow Shelter Report and DPU's comments and recommendation, the PSC acknowledges the Snow Shelter Report as complying with the requirements described in the Order.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary
