Re: **Docket Nos. 21-057-28, 22-057-08, and 22-057-16**, Division of Public Utilities' Audit of Dominion Energy Utah's 191 Account for Calendar Year 2022, Pass-Thru Application of Dominion Energy Utah for an Adjustment in Rates and Charges for Natural Gas Service in Utah.

Recommendation (Approve)

The Division of Public Utilities ("Division") filed its memorandum with the Public Service Commission ("PSC") on March 13, 2024, in reference to the 191 Account. The memo referenced a docket involving the Transportation Imbalance Charge ("TIC"). It incorrectly indicated the wrong docket and has now been revised. Please see the corrected memo with the appropriate references to the TIC. The only change in the memo is swapping out the incorrect docket reference of Docket No. 22-057-21 with the correct docket reference of Docket No. 21-057-29.

This memo is in response to the PSCs Action Request dated May 14, 2024, requesting an expedited response.
