The purpose of these technical conferences is to allow DEU representatives to present information regarding the development and results of its 2022 IRP, and to allow parties and the PSC an opportunity to ask questions. Parties having questions they would like DEU to address at any of the technical conferences should email such questions one week prior to the technical conference to the PSC (psc@utah.gov), Jenniffer Clark (jenniffer.clark@dominionenergy.com), Kelly Mendenhall (kelly.mendenhall@dominionenergy.com), and Austin Summers (austin.summers@dominionenergy.com). Portions of the April 19, 2022 conference may be closed to preserve the confidentiality of sensitive information. A party who is concerned about potentially being excluded from such a discussion should contact DEU well in advance of the conference to explore whether a non-disclosure agreement may alleviate DEU's objection to the party receiving the confidential information. To the extent the parties cannot come to an agreement, the parties should submit their dispute to the PSC at the earliest practicable date in advance of the conference.
