

Qualifications of Jordan K. Stephenson

Educational Background

I received a Bachelor of Science degree in Accounting from the University of Utah in 2010 and a Masters of Business Administration from Utah State University in 2014. I am a Certified Public Accountant (CPA) in the state of Utah and belong to the Utah Association of Certified Public Accountants (UACPA).

Current Responsibilities

I am currently employed by Dominion Energy as Manager Regulation. I am responsible for various regulatory filings including the semi-annual results of operations, infrastructure replacement rate adjustment filings and reports, as well as other regulatory policies and dockets.

Prior Experience

I was hired by Questar Gas Company (Dominion Energy) in 2010 as a plant accountant. I joined the regulatory affairs department in 2012 and have assisted in the preparation of testimony and exhibits in several rate cases and other tariff filings. I presented testimony before the Utah Public Service Commission in the Company's prior general rate case. I have also presented testimony before the Utah Public Service Commission for various other proceedings including infrastructure replacement tracker, conservation enabling tariff, energy efficiency, low-income, renewable natural gas transportation service, and carbon offset tariff changes.
