3 CHAIRMAN LEVAR: Why don't we go ahead and
4 start. Good evening, everyone. We're here for the
5 public witness hearing in Phase 2 of Public Service
6 Commission Docket 22-057-03, "Application of Dominion
7 Energy, Utah, to Increase Distribution Rates and
8 Charges and Make Tariff Modifications." I just
9 realized I didn't read the docket name in the hearing
10 this morning, but I think everybody knows what it was
11 for.

12 The public witness hearing was noticed to
13 begin at 6:00, and we put in the notice that anyone
14 who was here by 6:30 would be given a reasonable
15 opportunity to speak. At this point it appears that
16 there's no one here yet to speak. If anyone in the
17 room knows of anything different, please let me know.

18 That being the case, I think what we will
19 do is recess until the earlier of either if somebody
20 shows up, and we would ask someone from our staff to
21 come inform us, or otherwise we'll come back about
22 6:30-ish to see if we have anyone then.

23 So we are in recess, and we'll leave the
24 room so you guys can continue having fun
25 conversations that always stop when we walk in.

CHAIRMAN LEVAR: We are back on the record. It does not appear we have anyone from the public here to speak. I've got someone in the lobby who was going to text me if anyone showed up, and I haven't heard from anyone, and so I think unless anyone in the room knows differently. I'm not seeing any indication, so we're adjourned. Thank you.

(Concluded at 6:30 p.m.)
