Re: Docket No. 22-057-03

Dear Mr. Widerburg:

In its Report and Order in Docket No. 22-057-03, the Utah Public Service Commission (Commission) ordered Dominion Energy Utah (DEU or Company) to “file appropriate Tariff revisions reflecting the rate changes and all other tariff and other changes approved herein within 14 days after the date of this order.” DEU therefore submits the attached Tariff sheets in compliance with that Order.

The attached Tariff sheets also include changes associated with Docket No. 22-057-18, Dominion Energy Utah’s Application for Approval of the 2023 Year Budget for Energy Efficiency Programs and Market Transformation Initiative. In that Docket, the Company requested an effective date of January 1, 2023, but the Company has not received the Commission’s Order. The Company has nonetheless included the changes that would take effect if the Commission approves the application in Docket No. 22-057-18. In the event that the Commission declines to approve that application, the Company will submit new Tariff sheets without changes attributable to Docket No. 22-057-18.

We have enclosed a legislative copy, as well as a proposed copy.
