Re: *Dominion Energy Utah's Affiliate Transaction Report for the 12 Months Ending December 31, 2021*; Docket No. 22-057-11

Dear Mr. Mendenhall,

The Public Service Commission (PSC) reviewed Dominion Energy Utah's (DEU) June 29, 2022 filing of its Affiliate Transaction Report for the twelve months ending December 31, 2021 ("Report"). The filing was made pursuant to reporting requirements agreed to by DEU in paragraph 45 of a settlement stipulation ("Stipulation") adopted by the PSC in its September 14, 2016 Order Memorializing Bench Ruling Approving Settlement Stipulation in Docket No. 16-057-01 ("Order").

The PSC also reviewed the Division of Public Utilities' (DPU) November 16, 2022 action request response. DPU comments that it reviewed the Report to determine the extent to which affiliates actually exercise any substantial influence over DEU's policies and actions. DPU states that services were provided and received within the Intercompany Administrative Services Agreements ("IASA") and outside of the IASA. DPU states that it did not observe undue positive or negative financial impact to DEU resulting from the transactions and concludes that (1) active affiliated interest relationships exist between DEU and the reported entities; (2) DEU provided appropriate affiliate transaction information to DPU upon request; and (3) activity between the affiliates identified in the Report does not appear to be adverse to the public interest. DPU states the Report complies with both the Order and the Stipulation, and recommends the PSC acknowledge the Report.

Based on the PSC's review of DEU's Report and DPU's comments and recommendation, the PSC acknowledges DEU's Report as complying with the Order and Stipulation.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary
